

# PANMOBIL – The e\_procure professionals!

30 years of experience with following targets:

- Scanner for laymen and cost – interested user
- This means:
  - Scanning without training
  - Scanning without hotline - expences
  - Worldwide data transfer without software - installation
  - Scanner connection without driver installation
  - No costs for Middleware
  - No additional costs for implementation into your system
- **Time to Market = 0**
